

Form KIC Demand-Driven Partnership

DEMAND for Partners

Dutch Research Council

Version 26-01-2021

CONFIDENTIAL

← Explanatory notes

This form contains information for strategic decision-making about a KIC Demand-Driven Partnership for Partners (Public-Private Partnerships)

After consultation, the initiatives of partners will be bundled and submitted to the KIC Program Committee (see further description of the procedure), which will advise the Executive Board of NWO on the basis of the assessment framework that has been drawn up. The Executive Board will then decide which initiatives will be developed into KIC Demand-Driven Partnerships with a thematic call for proposals.

The length of the brief description of the intended KIC Demand-Driven Partnership is a maximum of 5 pages A4 in the current format.

NB Collapse or remove this explanation box to send information to NWO.

Brief description of an intended KIC Demand-Driven Partnership

GENERAL	
Partner name / names	
Detail contact person	Name: Telephone: E-mail:
Type partner(s)	<input type="checkbox"/> public <input type="checkbox"/> private <input type="checkbox"/> public and private
Subject intended call	Max 10 words
Subject of partnership (abstract)	
Briefly describe in a few sentences that can be understood by a wide public what the subject of the Demand-Driven Partnership programme is. NWO can use this information for communication purposes (with notification).	
Knowledge and/or innovation question	
Briefly describe the knowledge and/or innovation question of this Demand driven Partnership	
The partner(s)	
Briefly describe in a few sentences and understandably for a broadly oriented audience what the mission, goals or core business, network and / or supporters (socially and economically relevant (industrial) parties) of partner (s) / initiator (s) is that can contribute to the research projects resulting from the call for proposals.	
CONNECTION WITH RESEARCH AGENDAS AND MISSION-DRIVEN TOP SECTORS AND INNOVATION POLICY	

Knowledge and Innovation Agendas	<input type="checkbox"/> Energy transition and sustainability <input type="checkbox"/> Health and care <input type="checkbox"/> Agriculture, water and food	<input type="checkbox"/> Security <input type="checkbox"/> Key technologies <input type="checkbox"/> Public earning capacity
Most important (sub-)missions of Mission-Driven Top Sector Policy	<ul style="list-style-type: none"> • • • 	
Other agendas or routes that subject connects with	<ul style="list-style-type: none"> • <i>Research agenda's</i> • <i>NWA routes?</i> • 	
Connection with Mission-Driven Top Sectors and Innovation Policy		
Briefly describe in a few sentences that can be understood by a wide public how the subject of the Demand-Driven Partnership programme connects with the Mission-Driven Top Sectors and Innovation Policy.		
Choice for the KIC/PPP partnership programme and instrument Demand for partners		
Motivate here the choice for a Demand-Driven Partnership programme and state which expectations the partnership has.		
SOCIETAL AND ECONOMIC IMPACT		
Societal and/or economic challenge		
Describe here which societal and/or economic challenge the intended KIC/PPP partnership addresses.		
Cause(s) of the underlying challenge		
Describe here the causes for the challenge described and which of these causes can be attributed to knowledge-related causes for which science can be asked to provide a contribution or solution.		
Contribution to the solution for the challenge		
Describe here which knowledge and / or development question (s) must be answered in the Demand-Driven Partnership (scope and focus of the Demand-Driven Partnership initiative) in order to contribute to removing the cause, solving the social challenge and / or the problem. Also consider interdisciplinary aspects of this knowledge and / or development question (s) and interdisciplinary collaboration.		
Chances for societal impact		
Describe which opportunities you recognise for the Dutch economy and society (impact) for the subject proposed. Consider how scientific knowledge is used and translated by social stakeholders and what difference can be made with the knowledge acquired in the future.		
Chances for economic impact		
Describe here which opportunities you recognize for the Dutch economy, earning capacity and industrial activity. Consider how and where the acquired scientific knowledge is adopted by stakeholders, industrial parties (start-ups, companies) and is further translated to impact.		
URGENCY AND RELEVANCE		
Urgency of the subject		
Describe here the urgency of the subject for you as a Partner – why now?		
Relevance of the subject		
Describe which (industrial) parties, stakeholders, (research) groups will benefit from the results of the Demand-Driven Partnership and which parties inside and outside the network of the partner are therefore relevant to involve at an early stage – probably already in the design phase of the call for proposals as well?		
Connection with and positioning in relation to other initiatives and programs		
Briefly describe how the intended partnership relates to previous / current / other similar (research) programs or initiatives to this end (whether or not successful) with NWO or other organizations such as Top Sectors, RVO, etc.		
Connection with and positioning in relation to other international initiatives and programs		
Briefly describe how the proposed partnership relates to international (research) programs or initiatives to this end (whether or not successful).		
FINANCIAL INFORMATION		

	Total size partnership	€
	Requested NWO-KIC contribution	€
	Contribution from partner [name 1]	€
	Contribution from partner [name 2] if applicable	€
	Contribution from partner [name] if applicable	€
	Specific details regarding pledging of budget and/or reserves:	<i>Consider, for example, the window of availability and / or decision of committed amounts, any wishes / expectations regarding expenditure and / or justification of the financial resources.</i>
	Are the contributions from partners from a private source?	<input type="checkbox"/> YES <input type="checkbox"/> NO
	Are the contributions from partners new funds (not previously pledged to NWO)?	<input type="checkbox"/> YES <input type="checkbox"/> NO
	Statement of intention, letter of support signed and enclosed	<input type="checkbox"/> YES <input type="checkbox"/> NO
	Reservation NWO office costs	<i>5-10% of contribution co-funders</i>
	Programmatic activities	<i>Max. 50,000 euros of Partnership budget</i>
	Dutch VAT obligation	<input type="checkbox"/> YES <input type="checkbox"/> NO
	Conditions attached to NWO budgets	Fit within the KIAs
	Conditions attached to budgets from partners	<i>Think about conditions for spending and accountability periods, etcetera.</i>
ADDITIONAL INFORMATION IMPORTANT FOR DECISION-MAKING		
<p><i>Describe here additional information which in your opinion is relevant for NWO's decision-making about whether or not to enter into the Demand-driven partnership.</i></p> <p><i>Make sure that you have provided sufficient information in the above form with regard to the assessment framework used for formulation of advice by the KIC Programme committee (see procedure description).</i></p>		

To be completed by NWO during internal consultation and decision-making

OVERVIEW OF POINTS FOR ATTENTION FOR ELABORATION OF A KIC DEMAND-DRIVEN PARTNERSHIP		
Organisation	Name	Points for attention
Director / Leader (if applicable)		(bullet point(s))
